

Empowering India: Analysing the Evolution of Union Budget Allocations for Sustainable Growth

India's Union Budget is a comprehensive financial plan presented annually by the Government of India that allocates funds across various sectors and ministries.

Based on the excellent brainstorming and observations from our friends, this is our plan.

INTRODUCTION	Define Problem	Data Preparation	Data Visualization	Web Integration & Publishing	Web Integration & Publishing	Project Demonstration & Documentation
	- Specify Business Problem - Identify Business Requirements - Review Literature	- Collect Dataset - SQL Operations - Data Cleaning - Validate Data Accuracy	- Budget Analysis Charts - Scheme & Ministry Analysis - Top 5 Schemes (21–22) - Create Tableau Dashboard	- Embed Dashboard with Flask - Publish Dashboard Online - Responsive UI Design¹⁶	- Embed Dashboard with Flask - Publish Dashboard online - Performance Testing	- Demo Explanation Video - Project Documentation - Review & Finalize Report
SCENARIO 1 Renewable Energy Startup Analysing operations & funding in R&D amidst funding constraints & seeking government support	- Specify Business Problem - Identify Business Requirements - Review Literature - Determine Social Impact	- Collect Dataset - SQL Operations - Data Cleaning - Validate Data Accuracy	- Budget Analysis Charts - Scheme & Ministry Analysis - Top 5 Schemes (21–22) - Create Tableau Dashboard	- Embed Dashboard with Flask - Publish Dashboard Online - Responsive UI Design - Design Tableau Story	- Responsive UI Design - Performance Testing	- Record Project Demo Video - Documentation - Finalize Presentation - Review & Finalize Report
SCENARIO 2 Electric Vehicle Manufacturing Understanding policies & funding in R&D amidst funding constraints & seeking government support	- Specify Business Problem - Identify Business Requirements - Review Literature - Determine Business Impact	- Collect Dataset - MySQL Operations - Transform Data - Filter the Data	- Category & EV Budget Charts - Top 5 Schemes (21–22) - Total Budget Analysis - Design Tableau Story	- Category & EV Budget Charts - Top 5 Schemes (21–22) - Total Budget Analysis - Design Tableau Story	- Embed with Flask - Publish Dashboard to Web - Responsive UX Design - Conduct Performance Tests	- Create Explanation Video - Project Documentation - Finalize Presentation Slides - Review Presentation
SCENARIO 3 Pharmaceutical Expansion Analysing new drugs & funding in R&D amidst funding constraints & seeking government support	- Specify Business Problem - Identify Business Requirements - Review Literature - Determine Business Impact	- Collect Dataset - SQL/DP Operations - Transform Data - Filter the Data	- Healthcare Budget Charts - Ministry Allocation Analysis - Top Schemes Overview - Design Tableau Story	- Healthcare Budget Charts - Ministry Allocation Analysis - Develop Tableau Dashboard - Develop Tableau Dashboard	- Integrate Dashboard with Flask - Publish Public Dashboard - Responsive Dashboard Design - Test for Performance	- Demo Explanation Video - Project Documentation - Finalize Report - Present Project Findings
Renewable Energy Startup Determine operations and funding in R&D amidst funding constraints & seeking government support	Electric Vehicle Manufacturing Understanding policies and funding in R&D amidst funding constraints & seeking government support	Pharmaceutical Expansion Analysing new drugs to therapeutic solutions while analyzing healthcare policies & funding	Pharmaceutical Expansion Analysing new drugs to therapeutic solutions while analyzing healthcare policies & funding
